0.2 Illustrative service value

Item	Scope	Indicative value
The Slow Story	90-minute private city session, up to four guests, 75+ edited images, and a private online gallery.	¥39,000
Early route planning	Timing and meeting-point guidance before the hotel transfer.	Included
Total service value	Subject to final scope, operational confirmation, and applicable terms.	¥39,000

0.3 Notes for partner coordination

- Standard city experiences are paid only after the final booking flow has been confirmed with the guest or authorized partner contact.
- Transport, permits, venue charges, special access, and bespoke arrangements are quoted separately when required.
- Light rain does not automatically cancel a session. Safe alternatives, a no-fee reschedule, or other next steps are discussed clearly if conditions change.

FOCUS JAPAN is operated by Moook · Japan, beautifully remembered.
